

Since opening its doors as a 5-bed emergency homeless shelter in 1983, Lazarus House has been helping to break the cycle of poverty in the Merrimack Valley. We are able to do this ONLY because of the repeated and continued generosity of our donors and volunteers.

Our Soup Kitchen, Food Pantry and Thrift Store programs offer families the opportunity to stretch their dollars so they can afford rent, heat and utilities. Our emergency shelters and transitional housing programs provide a safe haven for homeless individuals and families. Work preparation changes lives through education, enabling guests to become self-sufficient.
